Development Permit to Subdivide

Massive 1325 sqm with development permit already in place to reconfigure one lot to two. The 1950's Queenslander sits at the front of the fully fenced flat block. The home has 3 bedrooms plus a sunroom or fourth bedroom. Pine timber floors throughout with french doors and aluminum exterior cladding over the hardiplank.

Separate lounge & dining, a huge timber under covered deck at the rear which is north & east facing, accessed from the kitchen and allows for easy entertaining. Both the kitchen and bathroom are in need of renovation but are still useable as is. Underneath the home is the laundry, storage area, man cave & accommodation for a couple of cars. A couple of garden sheds out the back with a fantastic cubby house for the kids. Solar panels have also been installed to keep your utility costs down.
